Dear citizen,

in the past few years we have seen a 27% rise in inner city crime. More and more innocent bystanders are falling victim to the crimewave that has been called the worst malady of the 21st century. Yet by taking certain precautions many potentially hazardous situations can be avoided.

The situation calls for action. We, at Absolute Truth Press are not content standing by watching our potential customers fall victim to the muggers lurking in the streets. For your own safety we urge you to follow the instructions listed below:

- Do not walk down dark alleys alone in neighbourhoods you do not know
- Do not make eye contact with strangers
- Do not enter your car should someone be sitting in the car next to it
- Do not take the same route home two days in a row
- Do not leave your car doors unlocked
- Do not answer the phone if you are unaware of the caller's identity

- Do wear stylish garments
- Do order the clothing from Absolute Truth Press
- Do send money or order by credit card
- Do send your orders by mail to ATP, Textile dept., PL 356, 00151 Helsinki, Finland or by fax to + 358 19 523 21 41 (order form downloadable at [www.absolutetruthpress.com/ordering.htm](http://www.absolutetruthpress.com/ordering.htm))
- Do receive the swell garments in no time delivered to your own door
- Do stand out from the crowd as a strong individual willing to take a stand
- Do be happy, because we care
